# UNITED WAY MESSAGE

Dear Friends,

United Way Tar River Region has been working in our community over 65 years improving the quality of life for local citizens, friends and neighbors. We thank all who joined us this year in surpassing our \$1.2 million dollar Community Campaign goal, all who joined us at our Sunday Supper at the Mills, all who helped with Hurricane Matthew Recovery efforts, and all who work tirelessly in our community to make a difference in the lives of others.

By focusing funding on our communities' most pressing needs in the areas of Education, Health, and Income & Independence, United Way encourages self-sufficiency and enhanced quality of life. We live our organizational values of integrity, diversity, excellence, accountability, leadership and solutions each day. We are focused on our strategic goal to drive positive community change by tackling some of our greatest challenges. By funding 36 community-based health and human service programs in partnership with 24 nonprofit partners, over 500 volunteers and over 10,000 donors, United Way Tar River Region and our network of amazing partners positively impact 75,000 lives each year in Edgecombe and Nash counties.

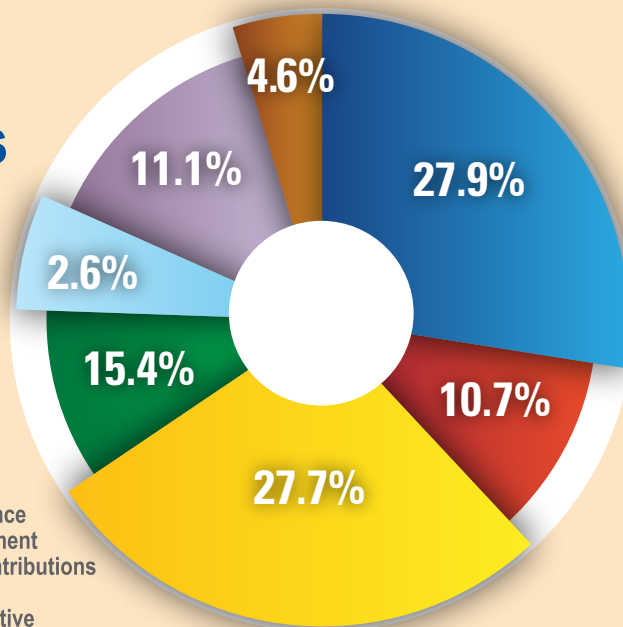

United Way Tar River Region is dedicated to our mission to unite people and resources to build a stronger community. During its history, United Way Tar River Region has raised and invested well over 50 million dollars into our local community with the ultimate goal of higher quality of life for all. Best wishes,

Dr. Haywood Parker

# COMMUNITY DEVELOPMENT & INITIATIVES

## NC 2-1-1

**Get Help!** 2-1-1 is an easy-to-remember and universally recognizable telephone number that connects people in need with information and assistance through referral to community services and providers. Available 24-hours per day/ 365 days per year, United Way Tar River Region's NC 2-1-1 call volume averages 100+ calls per month, plus the United Way Tar River Region office directly receives additional resource calls. You can also get real-time, searchable data in a single-to-use format by visiting [www.211counts.org](http://www.211counts.org) which can be a useful tool to assist in writing grants, developing policy, or having conversation about local community needs.

Simply call: 2-1-1 or visit: [www.nc211.org](http://www.nc211.org) .

## EMERGENCY FOOD & SHELTER PROGRAM

Our United Way continues to serve as the administrator for the National Emergency Food and Shelter Program (EFSP). The EFSP is a Federal program administered by the U.S. Department of Homeland Security's Federal Emergency Management Agency. Funding is based on unemployment and poverty rates in our community and helps provide essential emergency food and shelter, and Nash & Edgecombe counties were awarded \$94,335 in Phases 34. The EFSP Advisory Board, with Board Chair, Warren Stephenson, oversaw the distribution of these funds to community Local Recipient Agencies that include: Christian Fellowship Home of Nash-Edgecombe Counties, My Sister's House, St. Andrews Episcopal Church, The Impact Center's REACH (Responsive Assistance to Cooperative Households), The Salvation Army, Tarboro Community Outreach, Truth Foundational Ministries, and United Community Ministries.

## HOMETOWN HIRES PROGRAM

Hometown Hires is a program in partnership with the Upper Coastal Plain Learning Council that works to address generational poverty by creating employment opportunities for the unemployed in our region. It works to provide education, training and other skills development for individuals, while also helping match them with meaningful employment. Hometown Hires has a positive ripple effect not only for the individual but for his or her family, as finding the right job, can lead a person down a path toward success and personal fulfillment.

## DISASTER RECOVERY

We have remained a lead agency in Hurricane Matthew long-term recovery serving with the Twin Counties Disaster Recovery Group. As the fiscal agent for this group, we have helped secure over \$125,000 in grants to assist with addressing unmet needs in our community as people move back into permanent housing after loss and displacement from Hurricane Matthew.
